**Instructor-led face to face training (lectures)**

**Technology-Based Learning (video-learning, e-learning)**

**Interactive methods (test software, role playing)**

**Hands-on training (on-the-job training)**

**Planned Reading (reading lists)**

**Coaching and mentoring (shadowing)**

**Group Discussions & Tutorials (case studies)**

# UK Web Archive: Curatorial Training Needs

- UK Non-Print Legal Deposit Regulations
- Understanding the technical infrastructure
- Specialist software(Annotation Curation Tool [ACT])
- Understanding different web technologies
- Supporting other curators involved in web archiving
- Scoping and building curated web archive collections
- Using UK Web Archive resources (website, Shine, datasets)

# UKWA Training Materials

## What we currently do:

- One to One Training (on demand)
- Reading Lists
- Documentation ([User Guide](#), Quality Assurance Guide, blogs, Wiki)
- General support through email, face to face or by phone

## What we would like to do:

- Short training videos
- Cheat sheets
- A central place to access all this material
- Monthly clinics to give one on one or small group support

# Group Discussion

- Who do you train about web archiving?
- How do you currently train them?
- What web archiving training resources do you have available to your team?
- What methods do you use for training? Computer based, documentation (handouts, [user guides](#) etc.), one to one learning, shadowing etc.
